Get this remarkable book today! 35 years in the making. With contributions from hundreds of people spanning the globe: Jews from Uganda to Uzbekistan, aboriginals in Australia, Eskimo Bishops, Maori from New Zealand, experts of important ancient languages and sign languages. In the Foreword, Theodore Bikel raves that he "takes great delight in this book." Just about every language you've heard of, and more.

CD has recording highlights and quizzes. Full-featured (enhanced) DVD shows 4 Sign Languages, the complete set of recordings, quizzes, games and much more.
